

Celebrate
HELEN KELLER'S
Birthday
with
WHITE CANE DAY
1 JUNE 2011

We urge all Lions Clubs in South Africa to take up the challenge, to support the legacy of Helen Keller who in 1925 challenged Lions to be "Knights for the Blind in the crusade against darkness".

In 1930 through the foresight of Lion George A. Bonham, the white cane became the symbol of needs for people with impaired vision.

With the proceeds earned – support a "Sight Related" programme:
